Marcos is a doctor. He looks after sick people. He usually gets up at six thirty (6:30). Today, he is late, it is 7 o'clock and he is still at home. He usually goes to work by bus, but today he is driving his car. Now, it is seven fifteen (7:15) and he is driving his car.

He always arrives at the hospital at half past seven (7:30), but today he is getting at the hospital at seven forty-five (7:45).

He always has lunch at midday (12 o'clock). It is midday, but he is not having lunch. He is taking care of sick patients.

- What does Marcos do?
- What time does he usually get up?
- How does he usually go to work?
- What is he doing at midday today?
