ATIVIDADE 18

Tema: Quantificadores

NOME:

UNIDADE ESCOLAR:

Disponível em: <http://zazelis.blogspot.com/2016/11/a-some-any.html> Acesso em 07 de out. de 2021 (adaptado).

1. Com base nas informações acima, preencha as lacunas com as informações que faltam sobre o uso dos quantificadores **SOME** e **ANY**.

a) O “Some” é utilizado em frases _____ e _____. Nas frases interrogativas ele pode aparecer em _____, _____ e _____.

b) O “Any” pode ser utilizado em frases _____ e _____.

2. *Some* e *Any* muitas vezes são empregados sem que, a rigor, haja necessidade. Nesses casos, o português pode traduzir *some* e *any* por **algum**, **alguma**, **um pouco de**, **uns**, **umas**, **nenhum**, **nenhuma**, ou, preferivelmente, não traduzir. Mas vale lembrar que apesar de no português muitas vezes o indefinido seja dispensado, na língua inglesa esses quantificadores são essenciais para pleno entendimento da língua. Siga o exemplo abaixo e traduza as sentenças para o português:

a) I need **some** paper to write a letter. Preciso de papel para escrever uma carta.

b) She wants **some** sugar for her coffee.

c) Is there **any** water in the fridge?

d) She doesn't wear **any** makeup.

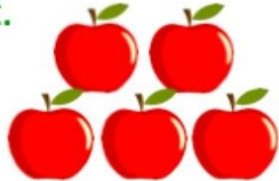

e) Would you like **some** orange juice?

3. Look at the picture and complete with **SOME** or **ANY**.

- There are _____ carrots in the fridge.
- There isn't _____ ice-cream.
- There are _____ bananas in the fridge.
- There are _____ eggs.
- There aren't _____ pears.
- There aren't _____ tomatoes.
